Rye Cove High School Attendance Improves During 1st Semester

Students earn field trips

Student attendance has shown great improvement during the first semester here at The Cove. Our administration, faculty and staff, and several local businesses have worked hard to boost attendance percentages within our school by implementing an attendance initiative! Part of the initiative includes the opportunity for students to earn field trips based on their attendance each 9 weeks! So far, students have earned field trips to the movie theatre and Mr. Gatti's in Wise, VA. Our January field trip took place at Warpath Lanes in Kingsport, TN. Students were able to enjoy a day outside the classroom at the bowling alley and had Little Caesar's pizza for lunch!

Chuck and Ashley Young, parents of Avery Young, won a \$50 Wal-Mart gift card from our first semester Parent/Guardian drawing. They were entered in the drawing based on Avery's attendance during the first semester. Congratulations!

First Semester Rewards

Throughout the first semester, students with weekly perfect attendance have been entered in drawings for gift cards! The drawings reset every week, with the only qualifying criteria being perfect attendance during that particular school week! Winners have been given passes to home athletic events and "concession bucks" to spend while enjoying the game! Several students have also gotten gift cards to local restaurants including: La Carretta, Little Caesar's, Chic-fil-a, Chili's, and Pal's! We would like to thank all of our sponsors for helping us in motivating our students to improve their attendance.

Rye Cove High School wants to encourage all parents/guardians to help make attendance a priority for our students. Parents/guardians of students who met attendance criteria laid out in the attendance initiative were recently entered in a drawing for a \$50 Wal-Mart gift card. We are happy to announce that the winner of the 1st semester gift card is Chuck and Ashley Young, parents of Avery Young. Congratulations!
